About Metropolitan Pipe

Since 1934, Metropolitan Pipe has achieved success throughout New England by providing the plumbing and heating industry with personal, attentive service and quality products at competitive prices. Our sales team has a thorough knowledge of all the lines we carry and can assist you in finding the right supplies for your job- be it large or small. We have one of the largest parts departments in the Metropolitan Boston area and the counter staff at our Cambridge warehouse prides themselves on their ability to get you in and out quickly, with the product you need to finish the job.
